

## **IDFC's Virtual Roundtables**

- Entrepreneurs working in the respective fields in India-Netherlands space can register for participation in these Roundtables.
- Each Roundtable will meet up at least once a year on a virtual platform to discuss relevant topics with regard to India-Netherlands business. Of course, more sessions are encouraged but it is left to the Roundtable members to jointly determine.
- Maximum of 2 student advisors will be added to each table to ensure input from the younger generation, assistance with organization & in writing a report.
- Publish at least one report on the topics discussed on an annual basis via Linked-in IDFC report series.
- All registered participants to the Virtual Roundtables will receive invitations to other IDFC events such India Symposium & webinars.

Role Advisor-Moderator – main to deliver on above points and;

- To moderate or organize a moderator for their respective roundtable.
- Think along with IDFC to see which current topics should be focused on.
- Where appropriate to tag #IDFC in social media & encourage participants with the aim to bring up wide range of information exchange and learning on topics that fall within the scope of the Virtual Roundtable.
